

## Brian Lawrence

**BIM Manager**

**28 Years Experience**

**Education**

Associate Degree in Design and Drafting, San Jacinto College, Houston, TX

Based in Houston, Brian Lawrence brings 28 years of experience working with a variety of clients on higher education, mixed-use/retail, parking, healthcare, and office/corporate projects to our team. As a highly skilled BIM Manager is passionate about developing tailored structural solutions for both small and large-scale projects and has a long history of happy clients. He has a clear passion for implementing creative ideas that satisfy owners' needs and adhere to budgetary and schedule constraints for both new construction and renovation.
